Best Live Music in Town!

Each month we like to highlight a few bands that really put on the best performances in town!

Llew Brown is one of those bands. They play a wide range of genres to keep you dancing!

The Old #5's are truly one of our most unique bands with a mix of classic and alternative rock...definitely a must see!

If you haven't seen Annie Up, then you must be new to Wichita! Truly a "can't miss" band!

Across the Pond is the best British rock band in the region. The music, costumes, and nostalgia is second to none.

King Midas always rocks the house with their classic rock and pop hits. Don't miss out!
