## RINGER STAR AT THE CANDLE!

Attention Members,

We are slated for a very special performance from Beatles great impersonator Ringer Star on Friday, Oct 26th! Our friends, Across the Pond, will join him in a show you definitely do not want to miss. As one of the most renowned impersonators, Ringer will help make the Beatles come alive once again! We are excited to bring a talent of this caliber for your viewing enjoyment.

Due to limited seating capacity, reservations are strongly recommended. Music begins at normal time, 8:30 pm.

### Holiday Parties and Special Events

At the Candle Club and LaVela, we have worked very hard to provide accommodations when it comes to booking any special event that may occur in your life. We can host groups of any size up to 300 people! Our members have been great in supporting our endeavors, and we are lucky to be a part of so many special times such as weddings, company Christmas parties, high school reunions, and other important events. If there is anything special happening in your life please keep us in mind. It would be our pleasure to make it as memorable of an event as possible.

### Murder Mystery Dinner Theatre

Nothing says a fun night out quite like attending a murder mystery! Please join us on Sunday, Sept 9th @5:30 for intrigue, suspense, and laughs all along the way. Theme: After a US federal mandate prohibits coffee, Esteban "The Don" Espresso, invites his customers at the Speakeasy Café to share his vision for a new direction. The Don announces that he intends to sell gelato in the store front, while continuing to sell coffee out back, creating a black market for coffee. Soon after, the Don is the victim of an untimely demise! Call 684-7281 for details and to RSVP!

**Lunch available Monday through Friday.**

### Best Live Music in Town!

Each month we like to highlight a few bands that really put on the best performances in town!

*Llew Brown is one of those bands. They play a wide range of genres to keep you dancing!*

The Fabulous Shirtheads are one of Wichita's best party bands!

If you haven't seen King Midas and love "Big Band" music then King Midas is right up your alley. They fill the stage with instruments!

Last but not least is Annie Up... Some of Wichita's best entertainment for over a decade. Come enjoy a barrage of hits!

### Did You Know?

The Candle Club was originally founded as a private club for the purpose of drinking legally at a bar. Individuals were allowed to bring their own liquor in and the club would sell them the mixers and store the member's bottle for them.
